^{*} Products meeting these specifications are required as part of the Eaton "Genuine Roadranger" extended drain and warranty

Note: Petro-Canada Lubricants also now offers a DTFR 13B110 approved (formerly MB 235.11) automated manual transmission fluid, Fuchs Titan Cytrac MB Synth 75W-90, for equipment with DT-12 transmissions. Approvals updated as of April 2025.

★ Approved for Use

Suitable for Use
 ✓ Meets Specifications

performance requirements set by Eaton Corporation (for transmissions) and Dana CVSD Corporation (for axles)

** For use in Eaton transmissions such as UltraShift Plus, Fuller Advantage Series (FAS), FR and RT Series

^{***} Approval from MAN North America only

^{****} SAE J2360 global standard (formerly MIL-PRF-2105E)
